Performing Arts Center Dedication Concert

We are proud to be officially dedicating our new Performing Arts Center on Sunday, December 11! This dedication concert will feature every performing ensemble here at Northview; all of our bands, choirs and orchestras will perform. The music department has never done a department wide concert, and we can't think of a more perfect way to have our official dedication than by showcasing all of our students!

We are so proud of our new facility, and of the wonderful students who will use it. We sincerely hope that you will be able to join us for this celebration!
